MISSIONS NEAR AND FAR

This past Sunday, GO Team (missions) co-leader Beth Cain told the congregation that "this is the week for missions -- local, national and international." For instance, midday Sunday, several of the youth (above left) helped pack the church utility trailer with supplies for those affected by the Brantley County fires. Top right, the 11 a.m. congregation prayed with Pastor Jake for several folks who will travel to the [Red Bird Mission](#) in Kentucky on May 3. They'll be the hands and feet of Jesus in parts of Appalachia.

And this week, the [Imani Milele Children's Choir](#), a group of Ugandan children who tour the United States each year, will perform at 7 p.m., Friday, May 1, in the College Place sanctuary. College Place has joined with [Heritage Oaks Retirement Living](#) to host the troupe, and the St. Simons facility (100 Heritage Drive) will sponsor a gathering for the community to meet the kids at 6:30 p.m., Thursday, April 30. Admission to both events is free. Attendees will have an opportunity to support or sponsor the children and the project.

Beth went on to explain to the congregation that College Place has partnered with a Global Methodist church in Nahunta to provide help to fire victims for the long run. She will announce additional future opportunities to provide assistance.

Reading the New Testament in a Year

Have you joined Pastor Jake's read-the-new-testament-in-a-year plan? This week's assignment is [John 15-19](#). Read a chapter per day during the week (Mon-Fri). Jake will initiate conversation on [Facebook](#) for anyone who wants to talk about what they've read. If you would like to see the reading schedule for the whole year, we have it on our website [here](#).

A/V Booth Help Needed!!

Needs Your Help!

Early-service helpers needed to run the
computer. One Sunday/month. Will train.

The 9 a.m. service *needs* additional volunteers in the A/V production booth. Depending on how many helpers we can add, you'd only need to commit to one Sunday every 4 to 6 weeks. You'd run the lyric and scripture slides on the computer, and training would be provided. **If you can operate a computer, rest assured that you can do this work.** Please see Chris Woodward or send her an email (address above).
